EDUCATION

B.Sc in Computer Science & Engineering

International Islamic University
Chittagong
2026 · CGPA 3.74

HSC

Chattogram College
2020 · Science · GPA 5.00

SSC

Ispahani Public School and College
2018 · Science · GPA 5.00

SKILLS

- Python
- C++
- JavaScript
- HTML & CSS
- MySQL / Databases
- Git & GitHub

ABOUT ME

I'm a goal-oriented person with a genuine passion for technology and problem-solving. Skilled in Python, C++, HTML, CSS, JavaScript, DBMS, with a focus on writing code that is functional, reliable, and purposeful. I enjoy turning ideas into working software across web, systems, and security and bring focus, curiosity, and care to every project I build.

WORK EXPERIENCE

Teaching Assistant

International Islamic University Chittagong

August 2025 – January 2026

- Assisted lab sessions for Database Management Systems (CSE-2424), guiding students through coding problems and project ideas
- Evaluated lab reports and assignments within deadlines, while assisting the course instructor with lab materials, exam proctoring, and performance evaluations

Member & Volunteer

IIUC Computer Club

2023 – 2024

- Engaged in technical contests, workshops, and webinars hosted by the university's computer science community to strengthen problem-solving skills
- Contributed to the planning and execution of club events, collaborating with fellow members to support technical initiatives and knowledge-sharing sessions
